## Wenatchee Parks and Recreation...

...dares you to care about your community parks and recreation facilities and programs.

The Wenatchee Parks and Recreation Department is excited to present the "Dare to Care" gift catalog. This catalog is filled with "wish list" items needed for the community's parks and recreation programs.

Community parks and recreation facilities and programs are supported by the city budget and user fees; however, the budget does not cover many items that could improve programs and park areas for the enjoyment of citizens. These items are listed in this catalog.

Through your generous contribution to this worthwhile gift program, you will make a lasting impact to the continued. This catalog has been divided into sections by individual park areas and recreation programs for easy reference.

Each item within the park or recreation program is categorized by gift donation type.

If there is an item you wish to contribute, or a facility not listed, contact the City of Wenatchee Parks and Recreation Department at (509) 888-3284 and we'll be happy to answer any questions.

Thank you for your support of Wenatchee Parks and Recreation!
